

IYKYK *_*

Hint: I'm a rusty soul :)

```
fn main() {
    let bunny_says= [
        83, 79, 82, 82, 89, 32, 58, 40, 10, 72, 111, 108, 108, 97, 32, 97,
        116, 32, 109, 101, 32, 105, 110, 115, 116, 101, 97, 100, 32, 58,
        41, 32, 63, 32, 98, 117, 110, 110, 121, 64, 116, 104, 101, 97, 105,
        98, 117, 110, 110, 121, 46, 99, 111, 109
    ];

    let msg: String = bunny_says.iter()
        .map(|&b| match b {
            _ if b > 0 => char::from_u32(b as u32).unwrap_or('?'),
            _ => panic!("Unexpected null byte in string"),
        })
        .collect();

    if !msg.is_empty() && cfg!(debug_assertions) {
        println!("{}", msg);
    }
}
```
